Descriptions

Exceptional property in Gouverneur

Nestled on the heights of Gouverneur, with a breathtaking view of the sea, Villa MGR is a superb contemporary property.

Built on two levels, the villa offers bright spaces open to the outside.

The ground floor houses a large living room with open kitchen, three bedrooms with their en-suite bathrooms, as well as a large terrace bordering a swimming pool.

The lower level has a room dedicated to massages, a second kitchen and an additional living room, ideal for entertaining or relaxing in complete privacy.

An independent bungalow, connected to the main house, completes the set. It has a bedroom with en-suite bathroom, as well as a living room and kitchen that opens directly onto the terrace and pool.

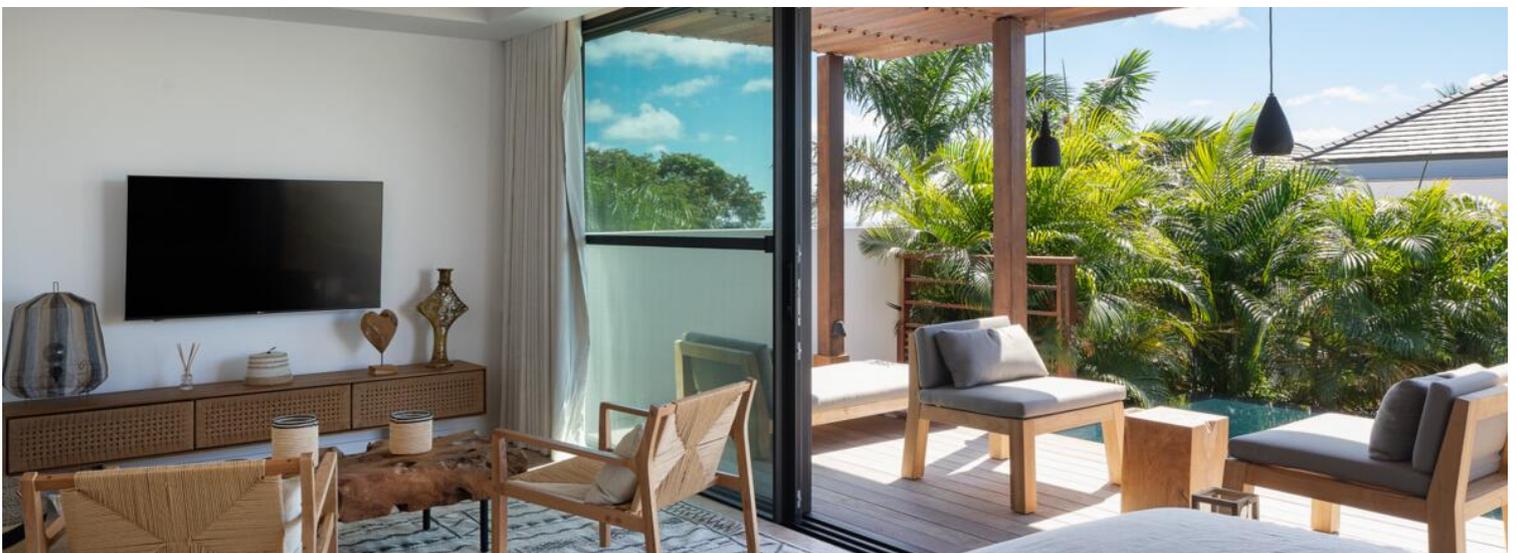

Thanks to its privileged location, Villa MGR offers a remarkable rental yield, only a few minutes from Gustavia.
