Important information about residency in Monaco:

This property is administratively registered as a studio. As such, it does not, in principle, allow you to benefit from the Monegasque residence permit.

However, a possibility can be studied in certain specific situations, in particular for people employed in the service of a family (domestic staff, private driver, chef, yacht captain, etc.).

Each application will be examined individually and will remain subject to the approval of the competent authorities, in particular the Monaco Public Security.
